## Going Higher with Him

*"I pray that out of His glorious riches He may strengthen you with power through His Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ."*  
(Ephesians 3:16-18 \*NIV)

Those of us in Florida have had to deal with seeking wisdom from the Lord in connection to the bombardment of storms we have encountered these past few months. The Lord has taken me to Matthew chapters 3 and 4 with this revelation I would like to share.

After Jesus was baptized in the Jordan River, He was recognized as the Son of God, and filled with the Holy Spirit. It was the Holy Spirit who led Him into the wilderness. Many that call themselves spirit-filled believers, or seek the power of the Holy Spirit for their lives, don't realize the fullness of what they are seeking. We want the "high", but don't understand why trials come instead. Jesus shows us in Matthew 4 that those of us who believe we are sons of God, and filled with the power of the Holy Spirit, should expect to be taken by the Spirit into the wilderness. We should also expect to find ourselves alone with little or no earthly provisions. Then, while we are in the midst of this wilderness, we should anticipate doors of temptation and testing from the false accuser in our head to begin to open. Being in a wilderness experience is never easy and isn't something any of us are eager to jump into. We shouldn't expect anyone to be there holding our hand. Multitudes like to take the path of least resistance, so we can't think we will hear voices of approval to encourage us. This path the Holy Spirit takes the sons of God on will be for those individuals that have hungered and thirst for His righteousness to be manifested in their lives so that the rest of the

body of Christ will see the Father when they see them. Not for personal gain of becoming more "holy". It will require a willingness of exposing "the self" that conflicts with the mind of Christ. An immature Christian will not last even though they may profess to be "spirit-filled".

No one in the natural looks for problems, and most people's immediate response is to flock to a "safe haven" and do as others do for acceptance. Jesus shows us that a son does not take the path of least resistance. **A mature one in Christ comes face to face with each trial, each storm, and each tribulation dealing with it head on releasing the fullness of the power of being the vessel the word of God can flow out of. We can not run from our problems, crying on others shoulders as children looking for comfort.** Nor is it wise for us to use the power of speaking the "word" for our own gain while others in the body suffer. Sons of God are required to follow Jesus taking on the troubled circumstances. We are to be the intercessors for the children of God as we stand in the gap so that no harm comes to them. As sons of God, it is not about us and overcoming our needs, but being mature in Christ to intercede in unconditional love for others even though they may not be seeking it.

We are all created in His image. Just as in the natural the unconditional love of parents would use their resources to protect their children, so should sons of God see the same responsibility for the children of God. Sons of God have been blessed with the opportunity to release Truth to set the captives free, not to know Truth to build our own self up. If one part of the Lord's body is hurt or weak, the whole body suffers.

The anointing of the Holy Spirit upon sons of God allows us to have power and authority to get rid of the garbage in our lives so that we can go to Galilee (heathens) and release unconditional love, mercy, and forgiveness to others in bondage declaring the Kingdom of God is at hand for all.

God bless your today!

## PUT YE ON THE LORD JESUS

by Chip Brogden

"Jesus was transfigured before them: His face shone like the sun, and His clothing was pure white, as white as light" (Matthew 17:2).

To be clothed with the Lord Jesus is to be transfigured. For too long we who claim a heavenly calling, a heavenly citizenship, and a heavenly birth have lived as earthly men. What light we have is hidden beneath a bushel; there is no glory that surrounds us. We are not talking about an outward display, or something fleshly, but a Light and a Life which demonstrates the presence of Christ. "In

Him was Life - and the Life was the Light of men" (John 1:4).

If we are abiding in Him then we will be as He is. If we have put on the Lord Jesus then we are being changed into His likeness, we are being made into His image, and we are in the process of being transfigured. After some time following the Lord we should not have to stop and ask ourselves, "What would Jesus do?" If we are being transfigured then that Light and that Life will respond spontaneously and effortlessly to any demand placed upon it. Just as Testimony follows Revelation, so Life follows Light. We simply know what to do because He Himself is doing it through us. If we have

put on the Lord Jesus then we need not look to the past, or to the future. We need not look up to the heavens, or down upon the earth. We need not look outward at all, for the Kingdom of God is within us. The One Who said, "I am with you, but will be in you" has now taken up residence within all who believe.

## A NEW SEASON

By Ron McGatlin

Here in North Carolina where Barbara and I live in the foothills of the Blue Ridge Mountains there is the slightest touch of chill in the air today and leaves are just beginning to cover the yard and driveway. Fall is one of my favorite seasons with crisp nights and moderate usually sunny days. It is also a sure sign that winter is not far away. We can already begin to imagine the snow covered hill sides, the pine trees flocked with snow, the clouds that veil the sun and the cold chill that fills the night.

As clearly as the signs are telling us of a change of season our spirits are telling us of a new season ahead for the church. A season with a landscape as different as the mild sunny weather and falling leaves of today is different from the cold snow covered landscape soon to come.

It sure would be difficult to try to live the same way in the winter as in the passing fall season. As the new season of church emerges we will be well advised to make substantial changes in how we do things. We may have done it one way for hundreds of years but we sure don't want to

be caught in freezing weather wearing only shorts and a tee shirt just because we have done it that way for months and we just don't like change.

God doesn't do much without telling His prophets and giving His apostles understanding of the structure to come. At times the instruction may be as clear as a blue print to those who are called out and sent forth to lay the foundations and begin the structure. Wise men of God are seeking out what God is doing and listening to the "sent ones". Many are making changes in preparation of the emerging new way of doing church. Really it is new to us but much more like the first century church that Jesus and the disciples began.

God has a design in mind and it must be built according to the pattern God has in mind. Not according to the mold developed over the past centuries. It will not be built of a mixture of traditional patterns and God's pattern. We will all do well to seek diligently the mind of God for the new emerging city of God.

*Exo 25:9: "According to all that I show you, that is, the pattern of the tabernacle and the pattern of all its furnishings, just so you shall make it.*

## ~He Is God~

He is the First and Last, The Beginning and the End! He is the keeper of Creation and the Creator of all! He is the Architect of the universe and the Manager of all times. He always was, He always is, and He always will be ... unmoved, Unchanged, Undefeated, and never Undone!

He was bruised and brought healing!  
He was pierced and eased pain!  
He was persecuted and brought freedom!  
He was dead and brought life!  
He is risen and brings power!  
He reigns and brings Peace!

The world can't understand him, The armies can't defeat Him, The schools can't explain Him, and The leaders can't ignore Him. Herod couldn't kill Him, The Pharisees couldn't confuse Him, and The people couldn't hold Him! Nero couldn't crush Him, Hitler couldn't silence Him, The New Age can't replace Him, and "Oprah" can't explain Him away!

He is light, love, longevity, and Lord. He is goodness, Kindness, Gentleness, and God. He is Holy, Righteous, mighty, powerful, and pure.

His ways are right,  
His word is eternal,  
His will is unchanging, and His mind is on me.  
He is my Savior,  
He is my guide, and He is my peace!  
He is my Joy,  
He is my comfort,  
He is my Lord, and He rules my life!

I serve Him because His bond is love, His burden is light, and His goal for me is abundant life. I follow Him because He is the wisdom of the wise, the power of the powerful, the ancient of days, the ruler of rulers, the leader of leaders, the overseer of the overcomers, and is to come. And if that seems impressive to you, try this for size.

His goal is a relationship with ME!

He will never leave me, never forsake me, never mislead me, never forget me, never overlook me and never cancel my appointment in His appointment book!

When I fall, He lifts me up!  
When I fail, He forgives!  
When I am weak, He is strong!  
When I am lost, He is the way!  
When I am afraid, He is my courage!  
When I stumble, He steadies me!  
When I am hurt, He heals me!  
When I am broken, He mends me!  
When I am blind, He leads me!  
When I am hungry, He feeds me!  
When I face trials, He is with me!

When I face persecution, He shields me!

When I face problems, He comforts me!  
When I face loss, He provides for me!  
When I face Death, He carries me Home!

He is everything for everybody everywhere, every time, and every way.

He is God, He is faithful. I am His, and He is mine!

My Father in heaven can whip the father of this world.

So, if you're wondering why I feel so secure, understand this...

He said it and that settles it.

God is in control, I am on His side, and that means all is well with my soul.

*Everyday is a blessing for GOD Is!*
