Sons
Of
God...
Hebrews
2:10

FROM THE
PASTOR...

Is it God or Doctrine?

When the unconditional love and mercy of a son of God comes into the presence of others it will cause a reaction. For some that reaction is change for the better, but for others, it is a closed door.

Many denominations have preached a set doctrine of how God's Son is supposed to be manifested, so that if anything else were to take place they would conclude that it can't be of God. What is interesting is within the brotherhood of Christianity we have hundreds of different denominations, and each one has their version of who God is, who Jesus is, who the Holy Spirit is, what is required to be a Christian, what happens after death, how the Lord will return, and how the end of time will take place. Each denomination justifies themselves by their interpretation of particular Scriptures, and each one believes they have the correct interpretation all the while thinking the other brothers and sisters in Christ don't have their doctrine right.

What we believe is what we will create, but for the sons of God to come forth we must focus on a greater authority than our

beliefs. In order for us to live the Life of Christ it must be Christ living in us. Anything else is antichrist to His body, soul, and spirit. We can't keep asking God to take away what doesn't exist to Him just because we have allowed our imaginations to create it. We must recognize that we are *new creatures in Christ* (2 Corinthians 5:17), and as new creatures, *there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is ALL and in ALL,* (Colossians 3:11).

If a religion or denomination has judgment, condemnation, or separation, then it is not of God. Scripture tells us with God there is no difference. The wisdom of God cannot hurt you, but the absence of His wisdom can. His wisdom has no fear, no demons, and no devils. These do exist, but not by His creation, but ours.

In the natural, if we eat a diet of the wrong foods our natural bodies don't function properly and eventually can cause major problems for the body. So it is with the temple of God. A one-size religion, doctrine, or denomination does not fit all that God created, yet, we will try to force this on one another. We can praise God that Jesus is not a religion, a doctrine, or a denomination. In each of us there is a creative part which is what God uses for us to expand our surrounding into unknown territories that He has already established. God is God "Yahweh", but He is also God with many names such as "Elohim"... Remember, He is God of All in All. "*All things were made by him; and without him was not anything made that was made*" (John 1:3).

God Bless,
Audrey

Food for Thought

A voyaging ship was wrecked during a storm at sea and only two of the men on it were able to swim to a small, desert like island. The two survivors, not knowing what else to do, agreed that they had no other recourse but to pray to God. However, to find out whose prayer was more powerful, they agreed to divide the territory between them and stay on opposite sides of the island.

The first thing they prayed for was food. The next morning, the first man saw a fruit-bearing tree on his side of the land, and he was able to eat its fruit. The other man's parcel of land remained barren. After a week, the first man was lonely and he decided to pray for a wife. The next day, another ship was wrecked, and the only survivor was a woman who swam to his side of the land. On the other side of the island, there was nothing. Soon the first man prayed for a house, clothes, more food.

The next day, like magic, all of these were given to him. However, the

second man still had nothing. Finally, the first man prayed for a ship, so that he and his wife could leave the island. In the morning, he found a ship docked at his side of the island. The first man boarded the ship with his wife and decided to leave the second man on the island. He considered the other man unworthy to receive God's blessings, since none of his prayers had been answered.

As the ship was about to leave, the first man heard a voice from Heaven booming, Why are you leaving your companion on the island? My blessings are mine alone, since I was the one who prayed for them the first man answered. His prayers were all unanswered and so he does not deserve anything. You are mistaken! The voice rebuked him. He had only one prayer, which I answered. If not for that, you would not have received any of my blessings.

Tell me, the first man asked the voice, what did he pray for that I should owe him anything? He prayed that all your prayers be answered.

For all we know, our blessings are not the fruits of our prayers alone, but those of another praying for us.

INSTALLING LOVE

Tech Support: Yes, ... how can I help you?

Customer: Well, after much consideration, I've decided to install Love. Can you guide me through the process?

Tech Support: Yes. I can help you. Are you ready to proceed?

Customer: Well, I'm not very technical, but I think I'm ready. What do I do first?

Tech Support: The first step is to open your Heart. Have you located your Heart?

Customer: Yes, but there are several other programs running now. Is it okay to install Love while they are running?

Tech Support: What programs are running ?

Customer: Let's see, I have Past Hurt, Low Self-Esteem, Grudge and Resentment running right now.

Tech Support: No problem, Love will gradually erase Past Hurt from your current operating system. It may remain in your permanent memory but it will no longer disrupt other programs. Love will eventually override Low Self-Esteem with a module of its own called High Self-Esteem. However, you have to completely turn off Grudge and Resentment. Those programs prevent Love from being properly installed. Can you turn those off ?

Customer: I don't know how to turn them off. Can you tell me how?

Tech Support: With pleasure. Go to your start menu and invoke Forgiveness. Do this as many times as necessary until Grudge and Resentment have been completely erased.

Customer: Okay, done! Love has started installing itself. Is that normal?

Tech Support: Yes, but remember that you have only the base pro-

gram. You need to begin connecting to other Hearts in order to get the upgrades.

Customer: Oops! I have an error message already. It says, "Error - Program not run on external components " What should I do?

Tech Support: Don't worry. It means that the Love program is set up to run on Internal Hearts, but has not yet been run on your Heart. In non-technical terms, it simply means you have to Love yourself before you can Love others.

Customer: So, what should I do?

Tech Support: Pull down Self-Acceptance; then click on the following files: Forgive-Yourself; Realize Your Worth; and Acknowledge your Limitations.

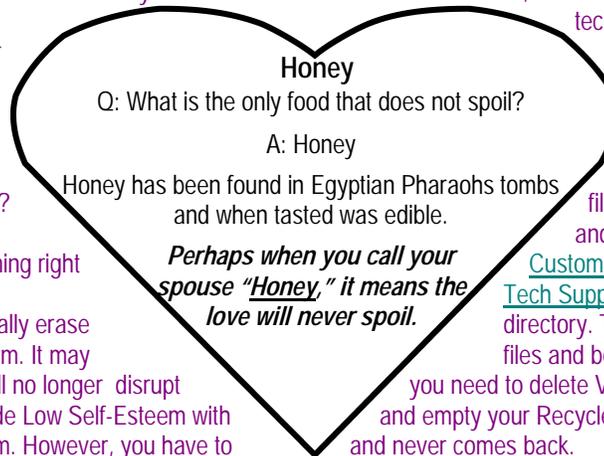

Customer: Okay, done.

Tech Support: Now, copy them to the "My Heart" directory. The system will overwrite any conflicting files and begin patching faulty programming. Also, you need to delete Verbose Self-Criticism from all directories and empty your Recycle Bin to make sure it is completely gone and never comes back.

Customer: Got it. Hey! My heart is filling up with new files. Smile is playing on my monitor and Peace and Contentment are copying themselves all over My Heart. Is this normal?

Tech Support: Sometimes. For others it takes a while, but eventually everything gets it at the proper time. So Love is installed and running. One more thing before we hang up. Love is Freeware. Be sure to give it and its various modules to everyone you meet. They will in turn share it with others and return some cool modules back to you.

Customer: Thank you, God

Did Jesus Come to Forgive Sin or Remove It?

Did Jesus Come to Forgive Sin or Remove It?

Have you ever read something in the Bible and thought you knew the meaning of what it was talking about only to have one or two words pop out at you causing you to rethink what the Scriptures might be saying? This happened to me when I was reading Matthew 3:11. John the Baptist is talking to the people saying, *"I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire."* According to this scripture, the baptism of water unto repentance was already established in old covenant before Jesus went to Calvary.

John tells us in John 1:29, *"Behold the Lamb of God, which taketh away the sin of the world."* These scriptures tell us that Jesus came and took away, not just covered up, the sin of the whole world. He did not bring baptism of water, which was already in existence, but brought the baptism of the Holy Spirit. The Holy Spirit is the reality of God, and fire is who God is. Jesus did not need to forgive sin because to God, it doesn't exist. Existence of sin came through religion and our own interpretations of good and evil justifying separation to the body of Christ that was redeemed over 2000 years ago. Jesus not only removed sin completely according to scripture when he hung on the tree of knowledge of good and evil, but when he arose from death, he removed the veil to the reality of who we are in God. *As He is, so are we in this world* (1 John 4:17). Jesus gave LIFE to the world. *He replaced sin with LIFE to the whole world* (John 6:33).

So why are we not walking in the baptism of the Holy Spirit and fire that Jesus gave to us? The reason sin still hangs around is

because religions have taught us that we are sinners versus being children of the Most High God.

John the Baptist tells us in John 1:31 that he didn't "know" Him, but then he confesses that Jesus is the son of God in John 1:34. This "knowing" is an intimacy of intercourse where two become one identity. John confesses that he had head knowledge of religious training to recognize the identity of Jesus as the Son of God, but he had not had the covenant exchange of intercourse "knowing" taking His identity. John knew God through the forgiveness of sin by baptism of water, but he had not had the presentation of God through the exchange of identity, but he knew that it was coming. John was supposed to be the end of the old covenant system. He had to be beheaded to illustrate the end of the old covenant order of repentance and covering of sin.

Jesus ended the mindset of being a sinner which came with the first Adam. When Jesus was resurrected, we were given His identity and His mind as new creatures in Christ (1 Corinthians 5:17). Today, we are children and sons of God. Our ignorance doesn't change the fact that Jesus said it was finished in John 19:30.

When we acknowledge that we "know" Him, then we are acknowledging that we "know" our true identity. We have God Life, God power, God identity.

Most Christians that confess that they are born again believers still don't know Him. They are waiting to someday when they get on the other side to consummate a marriage with the Lamb of God that took place over 2000 years ago. Jesus is drawing us today with the desire for us to "know" Him now as His bride without spot or blemish, and for us to walk in the power and authority of our true identity as His beloved Christ One.

IC Ministries needs your HELP!

During the year of 2004, we have had the opportunity to establish contacts in Nigeria and throughout Africa to send Bibles and Christian material. This has been a very rewarding mission **sending God's word into areas that have been Muslim-controlled**. We desperately need your help to continue this. Even though we can get the necessary material at reduced pricing, it is very expensive to ship Bibles from the USA. We are trying to send 20-30 Bibles, Christian literature, tapes, and spectacles to these areas each month. We sent out a shipment to 9 different locations this month. **The need is great and the harvest is ripe**. Please consider helping with your tax deductible contributions that will go directly for the cost of this project. The following are some of the correspondence letters we have received from our brothers and sisters in Africa.

PLEASE NOTE: THE LETTERS ARE UNEDITED TO PRESERVE THEIR AUTHENTICITY.

Rev Audrey,

Thanks in His name for the messages, am being blessed a lot, and also for the parcel. We had everything intact and people are being blessed. By the same faith they maintain their vital union with the Head of the Body, through the various means of grace, which He has provided in His Church, and through Him they are united in fellowship one with another.

Dear Special Wonderful friend in Christ,

Special resurrection greeting to you all in the wonderful name of our Lord Jesus Christ. I was extremely delighted about missionary work to African in your contribution to postal evangelism; we are taking Jesus to the world. This is an exciting hour because God is pouring out His Spirit in such marvelous way. In fact, He just rains it down in my crusades wherever I go it is beyond words to express what is like to see ungodly thousands come to God in moments of time, to watch God rain His miracles healing power upon the people in all kinds of glorious manifestations until thousands are delivered from all manner of sicknesses and diseases. Thousands are baptized in the Holy Ghost in one service. We have never, never before see before God work as he is now working. It's great to experience in living reality the proving out of God's power that the prophet saw in a vision over twenty five hundred years ago.

Yours winning the lost at any cost,

Pastor Mrs. V. Eghoweuba

Dear ICM,

We will continue to hold you up in prayer. we got your contact from your Book which continue to be a great encouragement to many as they continue to study God's Word. we do not take lightly praying for you for we realized that prayer is the christian's great hope(john 14:13)

There could be many people who have access to churches on every corner there in USA. In Nigeria there is not a deep hunger and thirst for the truth.Many lives in remote areas.it is our prayer the Lord will reveal Himself to them and made it possible for them to receive teachings for further christian growth in their lives.

Perhaps the reason many professing christians do not have a deeper hunger for Him is because they have not had their souls satisfied by Him.Their appetites have been 'stuffed' by the pleasures of this world instead of feasting upon His word.when we are truly satisfied in Him. He will be most glorified and that is the only thing that will bring victory in our lives(Hab 3:18-19)

No matter what comforts we enjoy, when they are gone, we have this hope, that God is ever faithful. may we never take for granted those things that the Lord gives us to enjoy, and may we not abuse them, but always remember ' HE is the Giver' of all that we have.Our joy does not come from the things of this world, for they will vanish away, but the joy we have in the Lord---- that is our strength and sustenance from day to day.

As you share with others your faith and trust in christ, may He rejoice your hearts and cause you to always delight in Him.

Bright Jamiu, Pastor
Nigeria

Greetings in the name of the One who causes all grace to abound toward us.

"And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every goodwork," (II corinthians 9:8.)

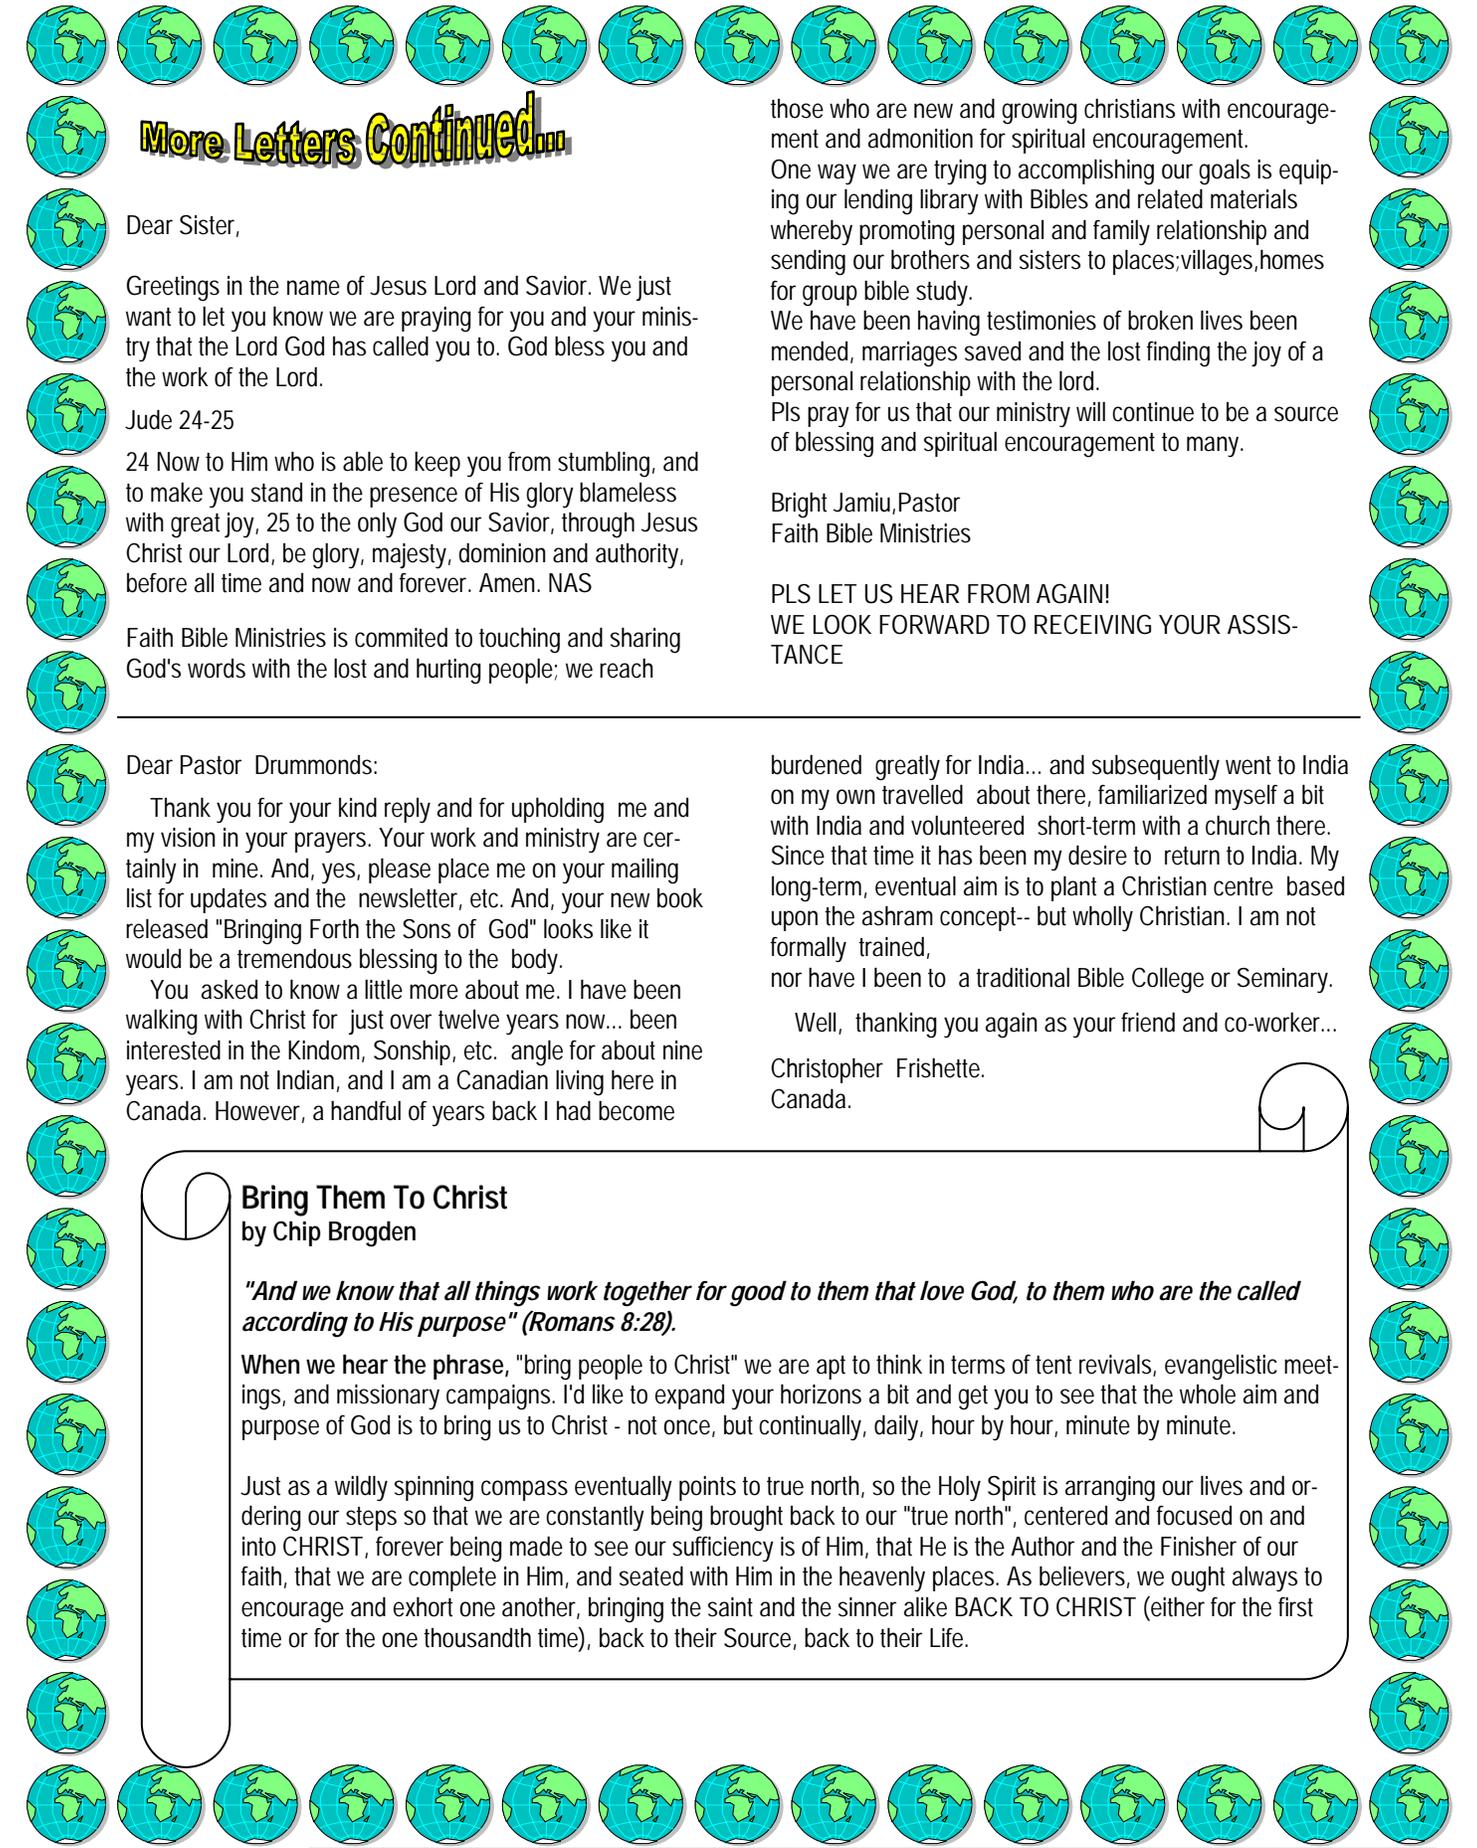

A short report from our ministry.For many years it has been our custom here at Faith Bible Ministries to gather at one of our preaching places for a time of prayer service.This year we had one.We sang for a while, praise the Lord and had a prayer service. I preached for awhile,mostly we sang and praised the Lord until nearly midnight.

I'll tell you, some of the non-christians could not stop talking about how blessed they were to be there, as we called on the people around to come,we sang, spoke of what the Lord meant to many of us, and just had a good time in the Lord.I know many heart were blessed as we now have more people going out to preach on home bible studies.

Please pray for those who have become believers that they would eagerly read the Holy Scriptures and would come to Spiritual understanding. Also, that they would be encouraged and strengthened in their new faith, finding spiritual freedom. We are very grateful to the Lord for each soul that comes to the faith.

May the Lord continue to enrich you in every good thing as you fulfill the call of God upon your life and ministry. Your loving gifts of friendship and support allows us to continue reaching out to more people with the gospel at a time when so many are hurting as there is so much to be done for the Lord here.

PLS LET US HEAR FROM AGAIN!
WE LOOK FORWARD TO RECEIVING YOUR ASSIS-
TANCE

Dear Pastor Drummonds:

Thank you for your kind reply and for upholding me and my vision in your prayers. Your work and ministry are certainly in mine. And, yes, please place me on your mailing list for updates and the newsletter, etc. And, your new book released "Bringing Forth the Sons of God" looks like it would be a tremendous blessing to the body.

You asked to know a little more about me. I have been walking with Christ for just over twelve years now... been interested in the Kindom, Sonship, etc. angle for about nine years. I am not Indian, and I am a Canadian living here in Canada. However, a handful of years back I had become

burdened greatly for India... and subsequently went to India on my own travelled about there, familiarized myself a bit with India and volunteered short-term with a church there. Since that time it has been my desire to return to India. My long-term, eventual aim is to plant a Christian centre based upon the ashram concept-- but wholly Christian. I am not formally trained, nor have I been to a traditional Bible College or Seminary.

Well, thanking you again as your friend and co-worker...

Christopher Frishette.

Bring Them To Christ by Chip Brogden

"And we know that all things work together for good to them that love God, to them who are the called according to His purpose" (Romans 8:28).

When we hear the phrase, "bring people to Christ" we are apt to think in terms of tent revivals, evangelistic meetings, and missionary campaigns. I'd like to expand your horizons a bit and get you to see that the whole aim and purpose of God is to bring us to Christ - not once, but continually, daily, hour by hour, minute by minute.

Just as a wildly spinning compass eventually points to true north, so the Holy Spirit is arranging our lives and ordering our steps so that we are constantly being brought back to our "true north", centered and focused on and into CHRIST, forever being made to see our sufficiency is of Him, that He is the Author and the Finisher of our faith, that we are complete in Him, and seated with Him in the heavenly places. As believers, we ought always to encourage and exhort one another, bringing the saint and the sinner alike BACK TO CHRIST (either for the first time or for the one thousandth time), back to their Source, back to their Life.

The Power of Weakness

1 Cor 2:3-4: *I was with you in weakness, in fear, and in much trembling. And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power.*

2 Cor 12:10b: *...For when I am weak, then I am strong.*

Standing before the Fire of God brings weakness to the soul and supernatural power into the spirit. For those who have entered the open door of 2004 into the presence of God there is an abundance of supernatural reality to be poured out in 2005. This is the year of the sons bringing forth the supernatural reality of the Christ life. Not just miracles of healing and raising dead but wisdom and power from the Fire of the throne that will affect every area of life.

Many will be astonished as they experience the purity, wisdom, and supernatural power of the people coming forth from the throne room having been touched of the Father and saturated in His love. People will know that Christ is within them and that they have been with Father. Purity and holiness will prevail and nothing shall attach to them to drag them down. The word of their testimony shall be of the kingdom of God from the throne of God. They shall have no love for their lives nor regard for the temptations of this world.

The inner joy of the Lord within them will not be diminished by their tears of respect and awe for their God nor by the river of tears of compassion for their brothers and sisters entrapped by a world gone crazy. The weakness of brokenness opens the highway of holiness for the supernatural love and power of God to flow through them into the world.

Now we need no longer speak of the harvest to come for the harvest has begun. 2005 The Year of Fire

Prayer in School?

After being interviewed by the school administration, the eager teaching prospect said: "Let me see if I've got this right:

- ★ "You want me to go into that room with all those kids and fill their every waking moment with a love for learning. And I'm supposed to instill a sense of pride in their ethnicity, modify their disruptive behavior, observe them for signs of abuse and even censor their T-shirt messages and dress habits.
- ★ "You want me to wage a war on drugs and sexually transmitted diseases, check their backpacks for weapons of mass destruction, and raise their self-esteem.
- ★ "You want me to teach them patriotism, good citizenship, sportsmanship, and fair play, how and where to register to vote, how to balance a checkbook, and how to apply for a job.
- ★ "I am to check their heads for lice, maintain a safe environment, recognize signs of antisocial behavior, offer advice, write letters of recommendation for student employment and scholarships, encourage respect for their elders and future employers.
- ★ "And I am to communicate regularly with the parents by letter, telephone, newsletter, and report card.
- ★ "All of this I am to do with just a piece of chalk, a computer, a few books, a bulletin board, and a big smile AND on a starting salary that qualifies my family for food stamps!

"You want me to do all of this,
and you expect me NOT TO PRAY?"
